#iloveremermirror
@remermirror

Thank you very much for your fantastic support and assistance, I can't tell you how much I appreciate it. – Paul

Thank you for your amazing service yesterday and the follow up email. It was so worthwhile visiting the showroom and speaking to you. – Anita

I just wanted to thank you so much for your help the other day. Our clients love your products and are super excited to have them in their new home. – Vanessa

Everything has been received and installed, and all working perfectly. Thank you so much for your speedy turnaround. I'm in awe! – Maddie

I ordered a mirror that arrived with a chipped door, and spoke to Jenny at Remer – she was absolutely sensational and sent out a replacement door the next day. Best customer service I've ever received – you'll have me as a customer for life! – John

The quality of these mirrors cannot be overstated. Very happy with how they present in the house and the sound quality is exceptional. Thank you! – Max

I rang about a mirror I was interested in, as I needed measurements and details so my builder and electrician could prepare. Remer provided the necessary details and even emailed photos through, which really helped. Definitely recommended, very helpful and professional. Thanks! – Daniel

The lighting from this cabinet is very good and I depend on that, having not installed above-mirror lighting for this reason. – Michella

The young lady who assisted us was very helpful and knowledgeable. Everyone who sees our mirror is blown away by it – and it certainly adds a lot of light to the tiled wall as well. Great product, great staff, highly recommended. – Kevin

After a long drive to get to the Remer showroom, it was great to be met by a really friendly receptionist. The young lady that showed us around the fantastic showroom was helpful and polite. A great experience. – Bruce

WHAT THEY'RE SAYING...

SMARTER CONTEMPORARY BUILT TO LAST

These elements in unison are the thinking behind every product that we design at Remer. It derives from our philosophy that a space should have the balance of timeless, aesthetic beauty and thoughtful practical design. Every function that Remer mirrors and shaving cabinets offers is designed to maximise the visibility of your grooming space and make your daily routine more efficient.

The story of Remer stems from our mantra “to create and supply innovative and sensible products through exceptional service”. Driven by this vision, Remer has become an industry leader for premium mirrors, delivering the latest mirror trends together with a world-class service. Backed by more than 15 years of experience and technical know-how in producing quality mirrors, Remer brings together design trends with cutting-edge technological innovations to produce a wide range of collections that appeal to a diverse market.

All prices are Recommended Retail Prices (RRP) including GST. Prices may vary depending on location and are subject to change or correction without notification. All information is provided on a E&OE basis (Errors and Omissions Excepted). There is a huge amount of very useful info in this brochure and there is more than likely an error, big or small, somewhere. Images in this brochure are shown with accessories and other furniture which is not included in the price.

CONTENTS

TECHNOLOGY

Remer illuminated mirrors and shaving cabinets are a blend of LED lights and mirrors, combined with modern-day smart technology. We have purposely designed our product lines to be both visually appealing and functional, with features such as LED Lighting, Dimmers, Magnifiers, Bluetooth Speakers and Digital Clocks. Just a simple touch activates these functions, making your daily life a little more convenient and comfortable.

-  LED Lighting
-  Dimmable
-  Adjustable Light Colour
-  Demister
-  Bluetooth Speakers
-  Digital Clock
-  Magnifier
-  Touch Sensor

BACKLIT

The backlit-designed mirror has light emanating from the back of the mirror towards the entire space, providing aesthetic, ambient lighting to the room. The design allows ambient lighting to seem to illuminate from within the wall, creating a textural wall with layers of depth – especially on a tiled wall. Our backlit mirrors are the Miro, Kara, Otis, frameless Sphere, Gatsby, Great Gatsby and Arch.

FRONTLIT

The frontlit style is designed to maximise the direct forward-facing lighting and reduce the overhead shadow typically cast from downlights. With brighter and sharper reflection, it is suitable for performing precision tasks such as makeup application and shaving. Our frontlit mirrors are the Eclipse, Lucy, Illusion, all Remer shaving cabinets, framed Sphere, Gatsby, Great Gatsby and Arch.

DIMMABLE

Dimmable technology allows you to adjust the lighting level to your preference. Start your day energised with full brightness, then relax and wind down in the evening with more subdued ambiance – or choose anything in between.

ADJUSTABLE LIGHT COLOUR

With the ability to change the light colour from warm to cool, you are able to mimic the lighting of any occasion that you are attending, and apply makeup accordingly.

DEMISTER

One of the more luxurious features of Remer mirrors and shaving cabinets is the inclusion of the Demister. The demister functionality allows you to have steamy showers without compromising the quality and care of your mirror. You'll be able to bask in the heat of your bathroom – a luxury on cold winter mornings – while still having a clean, clear mirror to do your morning skincare routine. With more time saved in the morning not having to wipe down your mirror, and the added comfort of having a warm bathroom during your mornings, the Remer mirror and shaving cabinet collections add convenience to your day-to-day routine that was previously not possible. Simply switch this function on via the Touch Sensor before your shower to keep it fog-free. Every single detail has been considered in the making of your Remer product.

Demister with Auto Cut-off*

*Auto Cut-off feature does not apply to Eclipse, Illusion, Modern Collections and all shaving cabinets.

SPHERE 800DB
[S80DB]

SPHERE 800DB
[S80DB]

BLUETOOTH SPEAKERS

Enhance your bathroom experience with sound. Choose the playlist that sets the mood for the day and connect straight from your phone to the Bluetooth mirror. The in-built speakers project the sound to surround your entire bathroom space. Create a space that is entirely yours.

DIGITAL CLOCK

Spend more time doing what you love. Keep track of your bathroom time so you can do more with the rest of your time. The Digital Clock is seamlessly integrated – without marring the mirror's beautiful look and feel.

MAGNIFIER

Precision creates perfection. Magnify your face to effortlessly groom and apply makeup. With a ring of light that surrounds the built-in Magnifier, you'll have no more overhead shadows.

TOUCH SENSOR

Technologies are controlled via a simple touch.

MIRO 1200DMC
[M120DMC]

PACKAGING

The packaging in which you receive your Remer product is just as innovative as the product itself. With an effective use of materials, the glass and electronic components are well-cushioned against pressure during transportation.

HONEYCOMB STRUCTURE

We utilise quality honeycomb board to transport most of our products, which provides compression, strength and rigidity to the packaging. Along with intelligent packaging design, we reduce our carbon footprint while ensuring your product is intact.

LED MIRRORS

State-of-the-art design and technology.

LED SHAVING CABINETS

Storage and advanced technology, the perfect balance
of realism and artistry.

PEARL 900
[P90D]

SOFT CLOSE HINGE

Along with the clip-on system and adjustable hinges, the hinge provides a smooth and silent close to reduce noise and eliminate the slamming of doors.

CONCEALED WIRE TECHNOLOGY

Maintains the aesthetic interior look of a shaving cabinet with advanced technologies (lighting, demister and touch sensor) on the doors. Without wiring connecting the doors to the carcass, the doors can be easily removed for installation and maintenance.

DOUBLE SIDED MIRRORS DOORS

With both double-sided mirror doors opened, you are able to use the internal mirror to look at the back of your head effortlessly.

SEMI RECESSABLE

With touch sensor technology and pilot hole, the shaving cabinet can be easily semi-recessed into walls to free up space.

ADJUSTABLE GLASS SHELVES

Tempered glass shelves can be adjusted to the millimetre on the integrated rail slate system. Without the visibility of pre-drilled shelving holes, it offers a clean, minimalist look.

MANUFACTURER'S WARRANTY

At Remer Pty Ltd (Remer), we pride ourselves on supplying products of a high industry standard and quality.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

PRODUCT CATEGORY	WARRANTY PROVISIONS
MIRRORS	5 year replacement parts or products for domestic use 1 year replacement parts or products for commercial use Labour is not included
SHAVING	5 year replacement parts or products for domestic use 1 year replacement parts or products for commercial use Labour is not included Door alignment is not included

- The Product Warranty Period commences from the date of purchase
- Remer will replace or repair, at its sole discretion, the defective product, or parts thereof. Replaced products become Remer's property.
- Remer is not responsible for the labor and rectification costs related to the repair or replacement of the product.
- Installation is acceptance of our products. Installation of faulty, warped, chipped, or damaged products will void our warranty. Any claim for warped, chipped or damaged products must be made within 48 hours from receipt of product.

EXCLUSION

This warranty does not cover the following:
(a) Inability to provide Proof of Purchase and/or Certificate of Electrical Safety (COES) when required by Remer;
(b) Products that are not installed by a Licensed Electricians and/or tradesperson in accordance with local regulations;
(c) Material variations. There might be natural variations in the color, pattern, and finish. Products may be slightly different from the ones featured in photos;
(d) Loss or damages caused by a defective product, and any indirect consequential or other loss or damage, subject to your statutory rights;
(e) The cost of pickup and delivery
(f) Loss or damages caused by a defective product, and any indirect consequential or other loss or damage, subject to your statutory rights;

CONDITIONS FOR ON-SITE WARRANTY SERVICE CALLS

Remer will charge a service fee for each visit to an installation by its authorized Service Agent where it is determined that the fault is due to poorly executed or unlicensed installation work, or where the product is not a genuine Remer product or where the product is outside the warranty period. This may be paid in advance by credit card over the phone to a Remer authorized Service Agent attending the site and will be refunded if the Remer product is found to be at fault. Remer requires adequate access to products, fittings, and fixtures to undertake on-site warranty service calls.

CUSTOMER NOTICE - GENERAL CLEANING

Mirrors and Shaving Cabinets

- Please clean mirror surface with a mixture of 30% isopropyl and 70% water and a soft micro-fibre cloth/chamois;
- Dry off the mirror edges.

Concrete and Aluminium Frames

Please use a soft micro-fibre cloth/chamois and warm water.

* Do not use any abrasive, acid or alkaline-based cleaners. Avoid sharp objects and keep heat and hot objects away from all surfaces of Remer products

HOW TO MAKE A CLAIM

In order to make a claim under the warranty, please visit www.remer.com.au to register your claim by submitting an Online Warranty Claim Form with all required information and documents.

Remer reserves the right to change these terms and conditions at any time without prior notice and the right of final decision on the interpretation of these terms and conditions.

For more information, please visit www.remer.com.au. Thank you for choosing Remer.
